(As a witness; The Central Tracing Agency is a permanent and integral part of the International Committee of the Red Cross. Yet it retains an autonomous character during conflicts, as laid down in the four Geneva Conventions. It is the duty of the Central Tracing Agency to carry out the mandate entrusted in time of war to the two **central information agencies** mentioned in Article 123 of the Third Convention and Article 140 of the Fourth Convention, namely: the **central information agency** for prisoners of war, and the **central information agency** for civilian internees and other protected persons. The Geneva Conventions contain about twenty-five articles relating to the role of these agencies, their relations with the Detaining Power, with the "Power of origin", with the captives and with their families. via The Central Tracing Agency of the ICRC | International Review of the Red Cross

No investigation into WL receipt of information?

(Julian Assange and Wikileaks accrued the incriminating information including emails about the crimes of the Cabal> Deep State through Seth Rich, who was murdered by two MS-13 members for leaking the info. The CIA/Mossad Mockingbird Media is complicit in helping to cover up the crimes.)

No pull down of NSA metadata trace/C to WL?

No pull down of NSA metadata period?

Nothing transferred across web?

Direct-to-Direct bypass dump?

No 'direct' investigation into DNC computer/software?

No 'direct' investigation into CS?

FBI/SC/DOJ/FED G simply TRUST CS's report on data breach?

(To date, there has been no direct declass information disclosed by government intelligence agencies that was revealed by Wikileaks and there has been no release of the Facebook metadata used to spy on the US Government either, the declass data has been revealed by bypassing a data dump and using citizen journalists to decode/decipher Q drops to expose the Wikileaks revelations. This also includes information on the CS/Solar CME Termination event, using [their] shipping container missile system with Depleted Nuclear weapons , that was planned by the Cabal >Deep State)

(The Cabal> Deep State has tried to block/control all release of information using both the State Secrets Privilege, States v. Reynolds decision as well as the CS/Solar CME Termination event, using [their] shipping container missile system with Depleted Nuclear WarHeads. The Awans via Pakistan, China and Russia have been providing collected intel from US government officials to the Cabal led by Queen Elizabeth II and Joseph [W]allenberg via the Obama Administration who sold out and cheated America via the 16 Year Plan to Destroy America The 16 Year Plan To Destroy America 1 – Telegraph)

APRIL SHOWERS.

(Disney's Bambi- Little April Shower Lyrics

Drip, drip, drop

Little April shower

Beating a tune

As you fall all around

Drip, drip, drop

Little April shower

What can compare

To your beautiful sound

Beautiful sound

Beautiful sound

Drip, drop, drip, drop

Drip, drip, drop

When the sky is cloudy

Your pretty music

Will brighten the day

Drip, drip, drop

When the sky is cloudy

You come along with a song right away

Come with your beautiful music

Drip, drip drop

Little April shower

Beating a tune

As you fall all around

Drip, drip drop

Little April shower

What can compare with your beautiful sound

Drip, drip drop

When the sky is cloudy

You come along, come along with your pretty little song

Drip, drip drop

When the sky is cloudy

You come along, come along with your pretty little song

Gay little roundalay

Song of the rainy day

How I love to hear your patter

Pretty little pitter-patter

Helter-skelter when you pelter

Troubles always seem to scatter

Drip, drip drop

Little April shower

Beating a tune

As you fall all around

Drip, drip drop

Little April shower

What can compare with your beautiful sound

‘The Hapsburgs of the 13th Illuminati bloodline had a sex salon in Vienna, where a porn photographer named Felix Salten worked. Felix Salten wrote a book Bambi, which was then translated into English by the infamous communist Whittaker Chambers. The elite were just beginning to form the roots for today’s environmental movement. The book appealed to Disney, because Disney liked animals better than people. In the book, tame animals view humans as gods, while the wild and free animals see humans as demons who they simply called "Him." The book begins with both free and tame animal viewing humans as rightly having dominion over them. In the end, the animals view all humans as simply being on the same level as animals, a vicious animal only fit to be killed. Disney instructed his animators to make the animals "to be human. I want people to forget they are watching animals." Bambi was to receive a Christ-like manger birth, with the animals hailing him as a "prince." Due to his sexual problems, Walt at one point permitted himself to be subjected to the packing of his genitals in ice for hours at a time. (Elliot, Walt Disney Hollywood’s Dark Prince, p. 83.) Children were instructed to call Walt "Uncle Walt." An example of this were the Mouseketeers. For those who know how mind-control programmers have traditionally liked to be called "uncle" by their child victims, the insistence by Walt to be known as "uncle" is distasteful. From what this author has learned from some sources about Walt’s non-public life as a hidden sadistic porn king, it raises questions about other parts of his life.’ Bloodlines\_ Introduction.doc (cia.gov)

(Per HRC arrest: Expecting massive, planned riots by Soros and Gates funded MS13 armies to be disappear quickly due to US Military's activation due to the Insurrection Act. President Trump is the Commander in Chief of the US Military. In the event of a terrorist attack or natural disaster (Solar CME), the Insurrection Act allows the President to use the US Military as a police force as well as use of the Law of War manual. Referencing page 1030, 17.1.2.1; in the Law of War manual regarding 2 Important Commonalities Between the Law Applicable to International Armed Conflict and the Law Applicable to Non-International Armed Conflict; Common Baseline Rules as well as Foundational Principles of the Law of War and Rules for Conducting Operations Against Unprivileged Belligerents. (The impact of Depleted Nuclear Warheads using the Cabal's, led by Queen Elizabeth II and Joseph [W]allenberg's, shipping container missile system could cause a CS/Solar CME Termination event affecting the entire planet. It would be used as a

last resort plan by the Cabal>Deep State > CIA/Mossad as well as the Mainstream Media to cover up their human/sex trafficking schemes with men, women, children and infants as well as guns and drugs. Q, which is select Military Intelligence, Space Force along with the US Military and will stop and block the Cabal's actions)
